Dear Ms. Glickman:

This correspondence is in response to your letter dated May 21, 2007. It confirms requests for information between Vote Allegheny and Allegheny County. Mention made of my commitment to provide audit data is incorrect and may be the result of miscommunication between Collin Lynch and me on Election night. I did not commit to providing audit data, but instead the report of parallel testing for the 2007 Primary Election.

Sincerely,

T.H. Johnson
