In Re: Preparation of Voting Machines by County Election Boards

Dear Chairman/Presiding Officer:

Due to the large number of legal challenges to candidates throughout this State, this Division will be unable to commence the voting machine preparation process on April 20, 2010. At this time, I am unable to project what day we will begin.

Please provide the email address of one contact person only for your organization by phone at (412) 350-4509 or by email at Mark.Wolosik@AlleghenyCounty.US. This office will notify your contact person by email by the close of business daily of whether or not voting machine preparation will commence at 7:30 a.m. the following day.

Very truly yours,
